

New Products for 2004

March Performance is pleased to announce several new performance bracket and pulley kits for 2004. Precision CNC machined from solid billet 6061-T6 aluminum to fit perfectly and handle high torque and vibration. Bracket kit comes complete with stainless steel tensioning rods and chrome moly rod ends for high performance operation.

"Billet" Power Steering Pump Case

Replace your ugly Saginaw power steering pump canister with this phenomenally styled aluminum billet power steering pump.

A perfect accompaniment to March Performance bracket kits. Available as a complete Keyway Saginaw power steering pump assembly ready to bolt right on the billet pump case only to be used with your current Saginaw keyway or press fit power steering pump internals.

Part# 9600

Billet reservoir with Saginaw Keyway pump.

Part# 452

Billet Case only

(use internals from your old pump).
